

NORTHAMPTON NORTH WEST RELIEF ROAD

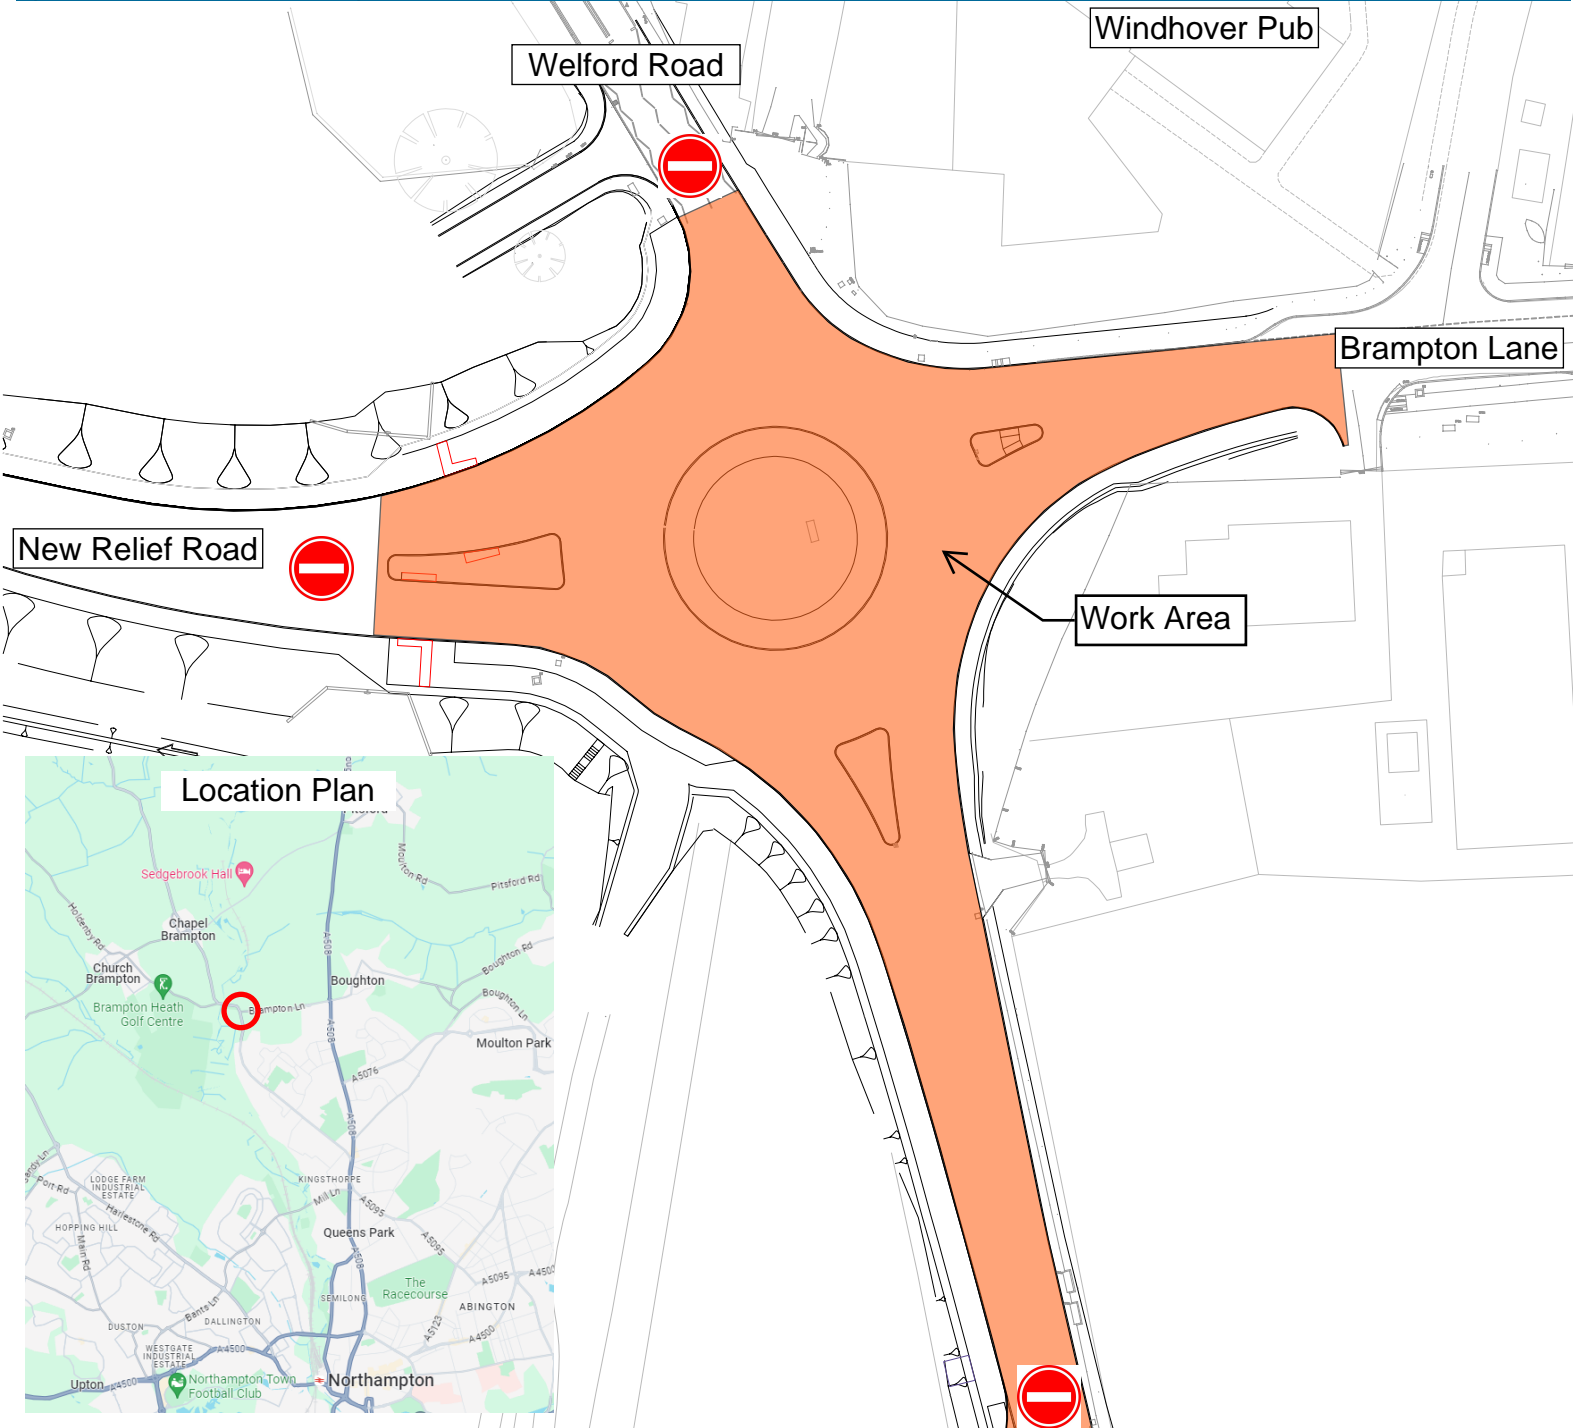

Brampton Roundabout Temporary Road Closure

From Monday 18th March 2024 for approximately 8 nights 20:30 - 06:00

The closure of Welford Road and Brampton Lane is required to complete the new roundabout surfacing.

A diversion route will be signed via A508 and A14 as shown overleaf. Access to The Windhover and Brampton View Care Home will be maintained from the east and signage will be provided to show this.

We will be planing off the existing road surface, re-surfacing and lining. This involves heavy plant and reversing vehicles so you may hear some noise. We will, as always, attempt to keep disturbance to a minimum and we will re-open the road as soon as possible.

BRAMPTON ROUNDABOUT SURFACING DIVERSION ROUTE

From Monday 18th March 2024 for approximately 8 nights 20:30 - 06:00
