EAT at MCC are hiring!

Due to our continued growth, we have vacancies for a Weekend Cook. Hours will be all day Saturdays (2/3 per month or every Saturday if preferred) and some Sundays to support Special Events. Experience of working in a busy kitchen, preparing and cooking food on request is essential.

Working as part of a team, you need to be enthusiastic, reliable, organised and possess a positive attitude. Ideally possessing an up-to-date Level 2 Food Hygiene Certificate, you will be joining a great team with ongoing training and support.

EAT is set in the busy environment of Moulton Community Centre. We are passionate about delivering good food and, as part of a team, you will help to deliver a positive experience to all our customers. Flexibility is key – we have so many wonderful events planned, you will need to be able to work different hours to help us cater for them.

Your qualities will be key in supporting the team and fundamental to the success of the café. We pay competitive rates of pay and full training will be given. This is a unique opportunity to work with a fabulous team in a fabulous building, serving our community. If you'd like an application form or would like to find out more, please contact us on info@moultonparishcouncil.org.uk

Closing Date for Applications - Monday 9th September 2024
